

Giving Instructions Using Realm

During this season the church is continuing to operate, though in modified ways. But we need your help by continuing to give to the church.

You may continue to give by mailing checks to the church, dropping your offering in our mailbox (open the box and drop it in, then close the box. This box can only be accessed by a key) or by giving on-line.

To use Realm visit: <https://tinyurl.com/fpcgiving>

Steps:

1. Log-in with your email and password
2. When your page opens click on "Giving" on the left-side menu
3. At the top click on +giving tab
4. Fill out form with amount and fund (you can change it to any fund by clicking on the menu arrow)
5. If you pledge you need it to say "2020 pledge"; or non-pledge or other fund
6. Click continue when you've filled out that page;
7. On the next page you can choose a credit card or bank; continue to put in account information
8. After you complete that the program leads you into clicking through the process and then "finish"

Call the church office (770-786-7321) if you need help. If you've never set up a Realm account (or forgotten your password), Peni Kehoe (admin@fpccov.org) can send you a link to do that. Be sure after you've entered your log-in information to save the page to your favorites so you can click on it to go back to the site when you want to access it again.

The FPC Realm page has a specific URL; you can't get to it by going to "Realm".
